

The Spiritual Principles With Which We Manage Ourselves To Create Heaven On Earth

The Pathwork Purification Process is the way we stay true to spiritual principles.
Pathworker Contributions Document #10 (PC10)

1. Principle: Law of Self-Responsibility

"You create your own reality." #40

"Your life experiences are a reflection of the beliefs in your soul. You should never believe for one instance that what you experience is unjust and unfair, no matter how much it may appear that way. In the last analysis, in absolute truth and reality, it is your misconception that has caused it." #48

"Only you create your own happiness and Whappiness." #60

2. Principle: Law of Paying the Price

"There is a price to be paid for each desired gratification." #29

"Every advantage has its disadvantage." #41

"The disadvantageous side of each alternative or decision is to be faced and accepted." #32

"There is a price to be paid for everything."

3. Principle: Law of Cause and Effect

"Every act has its consequence in the sphere of present reality. It is more difficult to see the same relationship between thoughts and subtle attitudes. The more developed person can perceive cause and effect on these less obvious levels." #245

4. Principle: Law of Living in Truth (Facing Life)

"To face life's reality means to face yourself as you are, with all your imperfections; embrace life whole-heartedly, without fear, without self-pity or being afraid of being hurt. Say to yourself, "In order to become what I would like to be, I must first, without fear or shame or vanity, face what is in me." #25

5. Principle: Law of Brotherhood

"To be able to open your heart to another brings spiritual help that you could not receive by yourself."

6. Principle: Law of Transformation of Negativity

The strength with which your divinity can penetrate the ego structure and manifest depends on the degree evil has been transformed throughout the evolutionary development." #222

7. Principle: Law of Lack of Awareness

Lack of Awareness of One Area of Your Human Personality Prohibits Awareness of Another

"It is one of the immutable spiritual laws that lack of awareness of one area in you prohibits awareness of another. This is why the path purification process is above anything else a process of making things conscious. This awareness unifies you. It is the aim of this Path's approach to spiritual reunion to help towards a reunification of everything that has ever split off." #193

8. Principle: Law of Consciousness Reflects Experience

"Working out of abundance, produces abundance, but working out of poverty and need, produces more poverty and need." #132

9. Principle: Law of Fully Inhabiting a State of Consciousness in Order to Grow

"You have to reach a certain state, and fully be in that state before it can be abandoned for a further state. It is often overlooked by man; and even more often, totally ignored. This is one of the great, important laws for man to know and deeply comprehend." #132
